Time, like an ever-rolling stream . . .” is always with us, always leaving—yet our uses of time are as varied and as numerous as the moments it gives us. We can drift along with the current into stagnant pools, or we can take from the stream an offering of opportunities and challenges, a discovery of new minds and modes. We cannot keep it with us, but while it is ours we can make of its moments monuments and memories, for

“There’s a time for some things, and a time for all things; a time for great things, and a time for small things.”

Cervantes, *Don Quixote*

And though we sometimes find the current against us, let us sight our course and take up the challenge, for

’Tis not too late to seek a newer world.
Push off, and sitting well in order smite
The sounding furrows . . .
 . . . that which we are, we are,—
One equal temper of heroic hearts,
Made weak by time and fate, but strong in will
To strive, to seek, to find, and not to yield.

Tennyson, “Ulysses”

At Maryville there's a time for great things, and a time for small things; a time for some things, and . . .

A Time for All Things

ACADEMIC EDITORS: GLORIANNA HUTCHESON, MARTHA TURNBULL

ACADEMICS

At the chapel service on December 1, 1960, President Lloyd, to the great surprise of the entire college population, announced his intention to retire from his position as president in the summer of 1961. Lloyd officially assumed this position on November 29, 1930; and in his thirty years of service the college has made great advances. He has served longer than any of his predecessors except Dr. Isaac Anderson, founder of the college and exceeded him in full-time service. The length of Dr. Lloyd's service is almost three times that even of the average American college or university president in the last half century. In his resignation announcement, Dr. Lloyd said, "I shall merely be graduating with the Class of 1961. . . . Throughout these thirty years I have had an undiminishing sense of dedication to Maryville College as an essential enterprise in Christian higher education . . . and after I close my work here, I shall continue to carry the College and its people in my heart and prayers."

RALPH WALDO LLOYD, B.A., B.D., D.D., LL.D., Litt.D.,
L.H.D., S.T.D.

In Dedication

Our President

DR. AND MRS. LLOYD

1961

Finally, brethren, whatsoever things are true, whatsoever things are honorable, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report . . .

think on these things

. . . Not that I have already obtained, or am already made perfect: but I press on, if so be that I may lay hold . . . but

one thing I do

forgetting the things which are behind, and stretching forward to the things which are before, I press on

toward the goal

unto the prize of the high calling of God in Christ Jesus . . . only, whereunto we have attained, by that same rule let us walk.

— From Philippians 4 and 3

The Deans

FRANK D. McCLELLAND, B.A., M.S., LL.D.,
Dean of the College

Working with the faculty, representing the College before educational organizations and directing the development of the curriculum and the college academic policy are many of the various duties which Dean McClelland capably carries out. He is also respected for his academic and vocational counseling to individual students.

E. FRANCES MASSEY, B.A., M.S.,
Dean of Women

In advising the women students, in working with Women's Student Government Association, in co-ordinating social activities on campus, Dean Massey is a symbol of friendliness, of fairness, and of the gracious side of college life.

ARTHUR S. BUSHING, B.A., M.A.,
Dean of Men

As associate professor of English and as Dean of Men, Mr. Bushing is known for being both humorous and human. Because he serves in an administrative capacity he extends his interest in all student activities of the College.

Council in Session

Bill Green, President; Margie Ross, Secretary-Treasurer; George Roselli, Vice-President.

Student Council

The Student Council is the representative government of the student body. Its membership consists of each class president, representatives from each of the four classes, and presidents of M.S.C. and W.S.G.A. The president and vice-president are elected by the entire student body, and the secretary is appointed by the Council.

The committees of Council have many functions, including enforcing Town Night regulations, conducting class and student body elections, organizing the Homecoming activities, and initiating campus projects, such as the re-

cent addition of an all-campus bulletin board. Through the Student Council, Maryville College is a member of the National Student Association, the recognized student voice on the national and international scene. This year a student leaders' retreat was held by Council at Laurel Lake early in October for planning the year's policies and activities. Student Council works closely with other campus organizations as well as the faculty and administration to promote the interests of the student body.

The young people who will lead education in the near future gather to study new methods, view movies, hear speakers and have discussions as a chapter of the Student Education Association. This year the SEA sponsored a mental health clinic as their fall project. Monthly meetings as well as district and state conferences are a part of their plan to help them become alert and active educators.

This organization of the "Y" program is for the benefit of town girls and their contacts on campus. It serves to draw the town girls closer together, to strengthen the relationship between town and campus girls and to draw the members into various campus activities. Pi Gamma has two luncheons each month and serves as hostess to campus girls.

Maryville College is fortunate in having an active chapter of the Y.W.C.A. on campus. It is affiliated with the national Y.W.C.A. which includes college groups throughout the world.

Joining with the Y.M.C.A. the "Y.W." helps sponsor Y-Radio, the M-Book, Nu Gamma and Key Men programs, Barnwarming, and the Fred Hope Fund. They also work in the Y-Store and help provide recreation at the Home Avenue and Sunnybrook missions in the community.

The goal of "Y" is to supplement the academic program through Christian worship, study, fun, and action. In doing this that gives Maryville women a well-rounded background for the future.

The Y.M.C.A. of Maryville College plays an important part in fulfilling the Christian needs of the men residing on campus. It is associated with the national Y.M.C.A. and is one of the oldest branches in the South.

The "Y" has contributed much to the College. It originated the Artists Series, intramurals, and several other programs.

Some of its most important activities are: the student exchange with Knoxville College, regular discussion programs and seminars, working with orphans at the children's home, helping with community scout troops, conducting mountain hikes, conducting all-campus prayer meetings, doing mission work and planning the extensive freshmen welcome and orientation activities.

Nu Gamma

Nu Gamma is one of Y.W.C.A.'s most important branches, for it is through these girls that new women students are made to feel at home at Maryville. Chosen for their integrity, attitude, leadership and enthusiasm, the

Nu Gamma Leaders join the Key Men in the "Y" Welcome program, Barnwarming and a general atmosphere of friendliness and helpfulness for new students.

The vice-president of the Y.M.C.A. chooses the Ten Key Men to welcome new students to Maryville, especially in the "Y" Welcome. These men are chosen for their initiative, integrity, leadership ability, and their outstanding

service to "Y" and to the campus. They join with the Nu Gamma Leaders to sponsor their Homecoming float and the annual Barnwarming carnival.

Pre-Ministerial Association and Christian Education Club

This has been an active year for the Christian Education Club which includes both those who are interested in Christian Education and those who are majoring in the field. Fulfilling its purpose to provide the means whereby interested persons can become better acquainted with tech-

niques in the field, this group has had programs including such methods as story-telling and activities for primary and kindergarten children. Their service project was to provide Christmas gifts for a needy family.

Vesper Choir

The Maryville College Choir has become one of the school's finest traditions. Again this year the Choir displayed the same high quality that made it The Official Broadcasting Choir of the United Presbyterian Church, U.S.A., last year.

The Choir is composed of sixty-four people who are chosen each fall through a series of highly competitive try-outs. To be chosen to sing with this group is indeed an honor.

The Choir leads singing in the Holy Week and Easter Sunrise Services, The February Meetings and Commencement as well as in the daily Chapel Services and Sunday Vespers.

Some of the music presented by the Choir this year included the chorus parts of "The Polovetsian Dances" from the opera "Prince Igor," by Alexander Borodin, which was presented in an appearance with the Knoxville Symphony,

"The Psalm of David," by Norman Dello Joio, and Bach's Cantata No. 140, "Wachet Auf!"

This year the choir toured the Synod of the Mid-South appearing in Atlanta, Georgia, Birmingham and Huntsville, Alabama, Louisville, Kentucky, and several other cities.

The Choir is still excellently conducted by Mr. Harry H. Harter, Associate Professor of Music in the Division of Fine Arts.

On Sunday evening, December 11, 1960, over one thousand people gathered in Wilson Memorial Chapel to hear the twenty-eighth annual College-Community presentation of Handel's "Messiah." This inspiring performance is another fine Maryville tradition and featured again this year the nearly three-hundred-voice chorus composed of the College Choir, the Glee Clubs, and selected students, faculty members and townspeople. Sallie Warth Schoen, harp-sichordist, Garnet Manges, pianist, Mr. Robert Triplett, organist, the College-Community Orchestra, and fifteen soloists completed the list of performers.

Mr. John Roberts was the Orchestra director and trainer, and Mr. Harry H. Harter directed the performance for the thirteenth year.

The "Messiah" in both its excellent presentation and meaningful message is indeed one of the most awesome and inspiring events of the college year.

Glee Clubs

The Men's Glee Club and the Women's Choir are organizations for those who enjoy singing. Their range of music covers everything from religious numbers to show music.

The Men's Glee Club this year has nineteen members, while the Women's Choir has thirty-six. Under the direction of Mr. Dan Kinsinger, these groups perform together or separately and appear in several shows throughout the year. This year these included the "Fall Serenade," featuring the lyrics of Oscar Hammerstein II, and a spring musical comedy, last year's presentation being "Where's Charlie?" Once a month one or both of these organizations sing for Sunday Evening Vespers. In addition, these groups sing in the "Messiah" and join with the College Choir in the Christmas Vespers.

All is not work, however, for each year the clubs sponsor their fun-filled, all campus "Jeans Drag." Various other social activities are enjoyed within the clubs. And of course good times are had by all in the proximity of "Mr. K!"

Tau Kappa Chi is an honorary organization for students who are music majors or who are studying applied music. Its aims are to provide a goal for students interested in music, to promote thoroughly trained musicianship, and to increase student and community interest in musical activi-

ties. Monthly meetings and special activities serve to further these purposes. A grade average of "B" for two consecutive semesters is one of the special requirements for election to membership.

The purpose of Theta is not only to form lasting friendships among members, but to develop well-rounded personalities that unite academic and social achievements. The Thetas seek to accomplish these through their regular weekly meetings with a planned variety of programs, including speakers from surrounding areas. The society also participates in the intersociety sports program and takes an active lead in other campus events such as Rush Week, Homecoming, and the fall formal sponsored with her brother society, Alpha Sigma.

The Greek words, Chi Beta, mean "going forward together." In accordance, the society's purpose is to bring its members into closer fellowship and to advance their social and cultural development. Through the thirteen chapters within Chi Beta a closer unity has been realized. These chapters lead in such projects as making Thanksgiving favors for Asbury Acres and the Blount Memorial Hospital and making shakers for football games. Chi Beta actively participates in the inter-society sports program, where again in 1960 they won the trophy. Teas, breakfasts, picnics, and a formal dance, some of which are sponsored with their brother society, Kappa Phi, make up the society's social program.

Through the Women's Student Government Association, the women of Maryville have an opportunity to exercise their responsibility by means of a limited form of self-government. W.S.G.A. has as its purpose that of making dormitory living a valuable experience in group living and of providing in the dormitories an atmosphere conducive to academic progress. The W.S.G.A. Council, made up of two representatives from each class, is charged with the responsibility of maintaining order and harmony in the women's dormitories and of reporting any infractions of W.S.G.A. rules. The W.S.G.A. works closely with the Student Council in many matters pertaining to student government, and with the administration in the maintenance of the standards of the college.

The Men's Student Cooperative is the men's student government organization composed of all men residing on campus. The M.S.C. Council is made up of fifteen members elected from the men's dormitories. This Council assumes authority in order to represent the interests of the resident men, functioning within the limits of its constitution, the regulations of the college, and the executive council of the faculty. Council's purpose is to establish and maintain favorable dormitory conditions, to promote good will within the group and by working with the W.S.G.A. and the Student Council, to serve as an active and vital voice of the men in both campus and administrative affairs in the interests of all concerned.

Band

Brilliant and spectacular events were seen on the football field this year as the band, with fifty-eight members, gave us the right to be proud of The Maryville Highlanders. Under the direction of Mr. John Roberts, the band has taken great strides toward becoming an outstanding feature among small colleges. The fifty-two piece concert band gave two regular concerts plus a lawn concert—a new treat to Maryvillites. Outstanding events of the marching band were the trips to Carson-Newman and the Rocket Bowl, where the Highlanders strutted to the strains of Hammerstein.

Maryville College Playhouse

The Maryville College Playhouse is a campus drama organization open to all students. Playhouse actors are of three ranks: Journeyman, Player, and Master Player; however, acting is not the only activity for members. Work on properties, scenery, lighting, costumes, and business matters provides valuable experience in all phases of theater operation. Each production requires the work of an average of fifty people. The first major work of this season was "Blithe Spirit," by Noel Coward. In October, the Playhouse traveled to Knoxville to present "The Way of the Cross." "The Merry Wives of Windsor," by William Shakespeare, was presented in the spring. The Playhouse produced a romantic comedy, "The Romancers," by Edmond Rostand, at commencement time. The Playhouse also supervises the Film Series, which brings to the students great films of the past at reduced rates. The 1960-61 season included such films as "American in Paris," and "High Noon."

Theta Alpha Phi

Theta Alpha Phi is a national honorary dramatic society and is the oldest such organization in the nation. Membership is limited to one per cent of campus population, and to be eligible a student must have attained the rank of Player and must have had experience in three of the four phases of theater work: acting, directing, producing, and business management. The members of this organization last year presented "The Way of the Cross" on a tour, and the society's members are noted for providing active leadership in Playhouse productions.

Under the leadership of Phyllis Stine, editor, the enlarged editorial staff interested about fifteen students in writing regularly for the *Echo*. The campus newspaper is a member of University Press Service, which is a part of the National Student Association. Bill Stueben, business manager during the first semester, was succeeded by Mike Garrett. The paper was printed this year by Byron's Graphic Arts Studio of Maryville.

Work for the majority of this group begins shortly after school opens in the fall. Writing copy, taking photographs, laying out pages and soliciting advertisements are some of the varied duties of the staff. Most of the completed work must be in to the publisher before Christmas vacation and all of it must be in by the early part of February. Work does not end even when the finished book arrives and is distributed, for plans will be already underway for next year's edition. Constant improvement is the Staff's goal and this is proved by the progress of past years.

This year's Debate Team, coached by Dr. Arda S. Walker, performed outstandingly in local, regional and national tournaments. Open to anyone interested in forensic activities, debate work is given college credit at the end of the second semester. Upon the completion of certain national standards, those who are of sophomore classification

or above are eligible for election to the Tennessee Alpha Chapter of Pi Kappa Delta, the national honorary forensic fraternity. This society, both rewarding and challenging, offers excellent and invaluable training in "the art of persuasion, beautiful and just."

Students of many nationalities study world relations and the possibilities for world peace as members of the International Relations Club. Maryville's I.R.C. is affiliated with the Association of International Relations Clubs and this

year gave students from nine countries, as well as those from the United States, opportunity to learn of the various customs and cultures of the world.

Art Activities

Maryville College is fortunate to have a art gallery as a part of the Art Department, and access to outstanding exhibits for it. A fine group of paintings, the William Pachner Retrospective, opened the season in September. Later in the fall, displays featured Japanese prints and photographs of outstanding musicians. In March the Gallery featured the Faculty Exhibit, and in April there was displayed an exhibit of contemporary prints from Europe for young collectors. This exhibit gave students a chance to acquire prints by famous artists at modest prices. Improvements to the Gallery in the past year included new display stands and planters. The exhibits are changed approximately once a month under the competent direction of Mr. Jemison Hoskins, Instructor in Art.

Football, 1960

No lopsided defeats, two wins, one tie, respect from other teams, and a bowl victory—that was Maryville College's football record for 1960.

The most successful season in several years began almost with the opening of classes when the squad traveled to Birmingham, Alabama, to play the Howard College Bulldogs. The Scots held their opponents to minus six yards during the first half, but were unable to stop their passing during the second half. Howard scored in the third and fourth quarters, defeating the Scots 14-0 in a repeat performance of last year. Maryville got within Howard's twenty yard line four times but could not score. The best oppor-

tunity was a run over tackle by Tyson McClanahan, who started at the Maryville eleven and ran sixty-one yards before he was caught from behind.

The home opener was a rough game with Morehead State. Maryville got inside the Morehead thirty yard line only once and was defeated 25-0. Bill Owenby played an excellent defensive game.

The offense was more fortunate in the Centre College game. After a fifty-nine yard drive McClanahan ran off tackle from the Colonels' twenty-five to score, but the victory was Centre's in a 17-6 result.

McClanahan scored again against Georgetown College. Both teams were seeking their first victory, but Georgetown didn't have to seek any further: the score was 20-6.

Ironically, one of the best games resulted in a 0-0 tie. The

Emory and Henry Wasps were favored four touchdowns over the Highlanders and were angrily discontented with the outcome. Quarterback Denny Mobbs kept the offense moving, and the team, especially the linemen, put out its best defensive effort of the year for the moral victory. The visiting team got to the Maryville five once, but was stopped when Tommy Bowers intercepted a pass. The intensity of the battle is illustrated in the penalties. Emory and Henry was penalized one hundred and forty yards, largely for personal fouls; whereas Maryville was penalized ten yards. The personal fouls even extended to the spectators after the game.

The Scots had little trouble in their second victory; and the lights went out in more ways than one for Mars Hill in their 35-6 loss. Then the Scots failed to pluck the feather of the Carson-Newman Eagles; they lost the traditional contest 7-0. A runner appeared to have scored from the one yard line, but the referee said no. A strong Carson-Newman defense and a fifteen yard penalty stopped the Scots' other chance in the fourth period when they moved to the Eagles' twelve yard line. The team played well defensively, but the offense was unsuccessful. The total record with Carson-Newman since the series began in 1903 is now nineteen wins for Maryville, fifteen wins for Carson-Newman, and three ties.

The climax for the Scots was an invitation to play Millsaps College of Jackson, Mississippi, in the first Rocket Bowl game in Huntsville, Alabama. It was Maryville's first bowl appearance in thirteen years.

The Scots outmaneuvered Millsaps in a 19-0 triumph. In the third quarter Bill Owenby blocked a punt and recovered it on Millsaps' twelve yard line. Al Reis scored after shaking off three tacklers at the five; he also kicked the extra point. Near the end of the quarter Pete Stafford recovered a Millsaps' fumble at their thirty-nine. Taking a handoff from Linginfelter, Storey scored on a wingback reverse after a forty-five yard run. The run for points failed. A seven-yard punt by Millsaps set up the final score. A run by Moore was good for twelve yards, and a pass to Owenby

Several players received honors for their performances during the season. Bill Owenby was elected the most valuable player, and Denny Mobbs was chosen by the coaches to be the most improved player. Pete Stafford and Bill Owenby will be co-captains for the 1961 season. Twenty-five men earned letters. The Knoxville News-Sentinel picked four Maryville players for the Tennessee Small College All-Stars. Bill Owenby, who was a defensive standout at end and who averaged over forty yards per kick, and Pete Stafford, a rugged tackle on defense and offense, made the first team. Tyson McClanahan, a fine runner at Halfback, and Bill Woodby, an outstanding guard, were elected to the second team.

Special honors from the Maryville College students go to each member of the team and coaches Baird and Tomlinson for their successful season.

Beginning the season with only three starters from last year's team and going into the second half of the schedule with only two remaining, the Maryville College basketball team had a mediocre season. A refinished gym floor, a new scoreboard, and new glass backboards were eagerly welcomed but could not take the place of experience.

Captain Bill Owenby led the team in scoring. Starting guard George Herron did not finish the season and Fred Porter missed a few games, but Bill Crisp, a letterman from last year, Ed Krusman, Dana Bible, Dave West, and Don Heatherly did a noteworthy job in filling their positions. Keith Day, Bert Randall, Dale Sterner, Felix Daniels, and Max Cooper handled the positions around the net.

In the opening game with Tusculum the five Scotties were eight points behind at the half, and the loss of Charlie Thomas in the third quarter because of an ankle injury added to their woes.

The Scots avenged their first loss to the U-T frosh by soundly defeating them on the next encounter. Leading 36-16 at the half, the Maryville team was in control throughout the game with four players hitting in the double figures in their best game of the season.

Their worst game was the second one with Carson-Newman. In the first half the team made only three field goals out of thirty attempts. Though the games were disappointing they were expected since Carson-Newman has a strong team.

Two games were lost by two points in overtime play. Against Centre the team came from twelve points behind in the last four minutes of the game to tie the score, only to have a winning ball roll teasingly around the rim and then fall out. Likewise, time ran out in the Birmingham-Southern game with the ball under the opponent's basket. Nevertheless, the Scotties gave an over-all good performance on the court, and their fellow students appreciate their efforts.

The baseball team seemed to have pitching depth and prospects for good hitting, but whatever was gained in these two departments was lost because of errors. Mistakes at crucial moments resulted in too many losses for the Scots. The easiest win came to lefthanded hurler Dave Meneely, who had to play only one inning to be credited with a win. Bill Owenby led in wins.

Men's Intramurals

Participation in intramural sports is increasing under efficient leadership and organization. Lynn Sexton and the intramural managers direct the program for the men.

The principal sports for the men are football, basketball, and softball. The Chinese Bandits went undefeated with the Kappa Phi Knights close behind, their only losses being to the Bandits. The All-Stars defeated the champions 14-13 in a post-season game. In the "Stinkin' Shoe" football game Kappa Phi defeated Alpha Sigma 13-7. Alpha Sigma is currently ahead in points in their attempt to win the intramural trophy from Kappa Phi.

Physical Education Club

All students interested in health, physical education, and recreation may join the Physical Education Club. Their programs include speeches, movies, and workshops on num-

erous phases of physical education. This club is noted for its athletic projects which benefit the entire student body.

Many revisions were made by the Women's "M" Club this year which improved the women's intersociety sports competition. The strong stress of good sportsmanship was successfully carried throughout the year in the WAA competition. These girls, who earn a minimum of 400 points a year, sponsor the Homecoming Dance; they also enjoy

overnight hikes, small parties, and other social events. Their project this year was sponsoring a WAA team in a few intercollegiate sports. Under the leadership of Miss Lesley and Mrs. Largen, much enthusiasm, enjoyment, and education have evolved from the competition this year.

Cheerleaders

Promoting school spirit and team support are the objectives of the Maryville cheerleaders, led during the 1960-61 season by senior, George Roselli. The Scottie fans were led in cheers at Pep Rallies and games by the capable

cheering squad composed of Peggy Reiter, George Roselli Bob Emmert, Madeline Wilson, Carl McDonald, Ken Hartman, Lois Anthony and Kathy Brierly. Second semester found Connie Myers and Wade Hampton as replacements.

McDonald, Wilson, Emmert, Anthony, Roselli, Reiter, Hartman, Brierley.

McDonald, Jablonski, Reichenbach, Tooker, Rehtin, Noble, Hill.

An unusual, but important group on the Maryville campus is the pep band-combo which has come to be known as "Porky and the Simple Seven." These men with their musical antics have become a familiar sight and

sound Under the leadership of Tod Jablonski, the "Seven" performed at pep rallies, during halftime at basketball games, and for other campus functions.

Executive Council: Miss Leslie, Sylvia Fugate.

All society women are members of the Women's Athletic Association. This organization purposes to offer the opportunity to obtain a playing knowledge of a variety of sports and to enjoy the friendly competition. In the WAA women earn points to become members of the Women's "M" Club. Among the intersociety sports of 1960-61 year were volleyball, horseshoes, badminton, Powder-Puff football, soccer, fencing, tennis and softball. This competition is stimulated by a trophy presented to the society that wins the majority of the year's events.

"Who's Who Among American Colleges and Universities" is a well-known publication edited by Mr. H. Kendall. Its purpose is to provide a knowledge of outstanding college students to employers and business firms. The following qualities are considered in selecting a student for "Who's Who": 1) excellence and sincerity in scholarship;

2) leadership and participation in extracurricular and academic activities; 3) citizenship and service to the college; 4) promise of future usefulness to business and society.

All students in the upper third of their senior class are eligible for "Who's Who." These students are voted upon by the members of the senior class, the faculty, and the administrative officers. The list is narrowed down to fourteen candidates and these names are placed on a second ballot and voted upon in the same manner.

Maryville College is proud to have these students represented in "Who's Who."

Homecoming Court

Cheering the Scotties on.

This year's annual Homecoming brought to the campus many alumni and friends who joined with the students in enjoying the parade, the gridiron battle, and the after game "victory" dance.

There was no particular theme this year so the ideas and originality were tops. Kappi Phi with their "Skunk 'Em Scots" captured top honors in the float division, winning over the other societies, the individual classes, and the "Y's." Contributing to the elaborate parade were the Highlander Band, cheerleaders and several bands from the Maryville area.

Queen Ninajo Tarver, senior French major from College Park, Georgia reigned over the evening events with attendants Susie Fagan and Una Rankin.

For the Queen the game was won.

Maryville College's well-known February Meetings this year marked their 85th annual presentation. The February Meetings are a traditional feature of February and serve as a period of spiritual emphasis. The daily schedule is changed and the entire student body participates in these services.

The main speaker this year was Dr. Louis H. Evans, formerly pastor of the First Presbyterian Church of Hollywood and now serving as Minister-at-Large for the United Presbyterian Church in the U.S.A. Dr. Evans is one of the best known and most widely acclaimed of all American ministers. This was the third time he has led the February Meetings.

Back again for his tenth year at the piano was Dr. Henry Barraclough, of Philadelphia, Pennsylvania. He is Associate Stated Clerk of the General Assembly of the United Presbyterian Church in the U.S.A. and is well known to many of our students. "Barrie's" hymn "Ivory Palaces" sounded more beautiful than ever this year.

Returning for his second year as song leader was Mr. Donald R. Mathis, Minister of Music at the First Presbyterian Church in St. Petersburg, Florida.

Artist Series

The Maryville College-Community Artists Series presented this year one of the finest programs in its history.

Nell Rankin, mezzo-soprano of the Metropolitan Opera, began the season on October 21 with a fine performance.

On January 27 the Karlsrud Chorale, an internationally known male concert chorus, presented an excellent program of well-chosen music.

Pierre Cochereau, organist of Notre Dame Cathedral and acknowledged as one of the world's finest church organists, appeared on February 14. Those who heard his program will agree that his reputation is well justified.

This concluded the regular season, but on February 27 the Knoxville Symphony Orchestra appeared as a gift to the season ticket holders. David Van Vactor was the conductor and Sallie Warth Schoen the featured pianist.

MISS PEGGY REID
Queen

May, 1960 was ushered in by Maryvillians as we gathered on the hillside in the college woods to witness the presentation of the May Queen and the pageant entitled "Pinocchio." Miss Peggy Reid, senior, 1960, reigned over the festivities. She was escorted by Mr. Dan Greaser and attended by Miss Mary Schmidt, senior, escorted by Dave McCahan; Miss Ninajo Tarver, junior, escorted by George Roselli; Miss Janet Kilgard, sophomore, escorted by Lew Pelky; and Miss Sally Hinn, freshman, escorted by Bruce Semple. Classes of the physical education department presented a tumbling act, folk dances and modern dance interpretations.
